Re: Nine Mile Point Unit 1  
Docket No. 50-220  
DPR-63

Dear Dr. Murley:

In accordance with 10 CFR 50.54 (p), enclosed for your information are changes to the approved Nine Mile Point Unit 1 Security Plan. These changes have been reviewed by the Site Operations Review Committee and the Safety Review and Audit Board.

The specific changes are set forth in Attachment A. Supporting information, which demonstrates that the change does not decrease the effectiveness of the Security Plan, is set forth in Attachment B.

In addition, we are enclosing Issue 2, Revision 0 of the Security and Safeguards Contingency Plan, minus figures. This issue includes changes as reflected in Attachment A of our 10 CFR 50.54 (p) submittal (except figures 1, 5, and 5a). Please transfer figures from copies of the approved Security Plan in your possession to this new issue replacing figures 1, 5, and 5a with those enclosed in Attachment A.

This issue will serve as a base document and all future changes made in accordance with 10 CFR 50.54 (p) will be assigned revision numbers.

We hereby request that the material submitted with this letter be withheld from public disclosure in that it contains Safeguards Information of a type specified in 10 CFR 73.21.
