SEQUOYAH NUCLEAR PLANT (SQN) - PHYSICAL SECURITY UPGRADE

Reference: TVA letter to NRC dated December 30, 1993, "Sequoyah Nuclear Plant (SQN) - New Security Upgrade Status"

In the referenced letter, TVA committed to complete, test, and accept the physical security upgrade in fiscal year 1994. As discussed between TVA and NRC in the meeting at Region II in Atlanta on September 22, 1994, this commitment was not met. Enclosed is a copy of the latest planned schedule for completion of the physical security upgrade project.

TVA also plans to remove the projected completion date for the physical security upgrade from the SQN Physical Security Plan in an upcoming revision.

No commitments are contained in this submittal.

Please direct questions concerning this issue to Steve D. Gilley at (615) 843-7427.

Sincerely,
