Re: Long Island Lighting Company;  
Shoreham Nuclear Power Station,  
Unit 1; Docket No. 50-322 O.L.

Dear Administrative Judges:

This will confirm that today the Board orally granted the request of Suffolk County, without objection from the Long Island Lighting Company or from the NRC Staff, to extend to June 27, 1983 the date by which the County may answer LILCO's Motion for Low Power Operating License, dated June 8, 1983.

In connection therewith, the Board also extended to June 30, 1983 the date by which the Staff may answer LILCO's motion.

Very truly yours,

  
Alan Roy Dynner
