FORT CALHOUN STATION PERFORMANCE INDICATORS

SEPTEMBER 1994

**SAFE OPERATIONS
PERFORMANCE EXCELLENCE
COST EFFECTIVENESS**

Pursuit of excellence is an attitude...
it involves wisdom and sound judgment...
it is a lifetime, career-long commitment...
it is a way of life...it is doing the job
right the first time, every time. It is
inner-directed, not the result of external
pressure, it is our own self worth—who
we are and the pride and satisfaction
that comes from being the right kind of
person, not just in doing the right things.

James J. O'Connor
