NRC Docket Nos. 50-424-OLA-3, 50-425-OLA-3; License Amendment for
Transfer to Southern Nuclear Operating Company

Dear Charles:

We have reviewed the schedule of availability of NRC employees provided in your
October 5, 1994 letter and wish to schedule the following depositions at this time:

1. Mr. Pete Taylor, October 19, 8:30 a.m., in the NRC's Region II offices in
Atlanta.
2. Mr. Al Chaffee, October 21, 8:30 a.m., in the NRC's White Flint North
offices in Rockville.
3. Mr. Ken Brockman, October 26, 8:30 a.m., in the NRC's White Flint North
offices in Rockville.

Georgia Power will arrange for a court reporter for each of these depositions.

Georgia Power plans to conduct the depositions of Messrs. Ebnetter and Robinson
following the three depositions identified above on a schedule to be discussed with the NRC
Staff.

Your October 5 letter also stated that the "88 inches" of NRC material in the Region II offices would not be available to the parties for inspection and copying "for some time." Georgia Power assumes that this material will not be made available prior to dates for the depositions listed above.

Very truly yours,
