Dr. Cecil Thomas, Chief  
Standardization and Special Projects Branch  
Division of Licensing  
U.S. Nuclear Regulatory Commission  
Washington, D.C. 20535

Re: University of Florida Training Reactor--Facility License R-56  
Docket SO-83  
Emergency Plan

Dear Dr. Thomas:

It is respectfully requested that a 30-day extension be granted to submit the amendments to the UFTR Emergency Plan. Due to the absence of key personnel during the summer, we will be short of manpower until August 15th. We should have no problem in complying with your request by September 15, 1983.

We hope this request can be given favorable consideration. Please call us at 904-392-1406 or 392-1427 if there are any problems.

Sincerely,

Nils J. Diaz  
Director, Nuclear Facilities
