Re: Draft Radiological Emergency Response Plan
City of Newburyport

Dear Sir,

I can't submit, Newburyport R.E.R.P. to F.E.M.A. or N.R.C. because of being uncompleted. I haven't received any routes, evacuation time estimate, or guidelines.

We have not received any assurance that Peabody will be equipped to serve as a reception community for us, or that it has even agreed to do so.

I am asking for a extension on July 14, deadline, for resubmission.

Sincerely,

Lance B. Broat
