Re: Nine Mile Point Unit 2
Docket No. 50-410
NPF-69

Gentlemen:

Niagara Mohawk Power Corporation hereby requests an extension of time from April 30, 1990 until May 31, 1991, for submittal of the "Nine Mile Point Unit 2 First Refueling Outage Inservice Inspection Summary Report." Niagara Mohawk's review process has identified the need to make several changes to the report prior to its submittal. This extension will also provide the opportunity to include the results of certain additional tests and examinations conducted during our recent forced outage, March 29 to April 12, 1991.

Very truly yours,

NIAGARA MOHAWK POWER CORPORATION

C. D. Terry
Vice President
Nuclear Engineering
