BRIEF FOR APPELLANT INTERVENORS

In view of the complete Briefing of this matter and the self explanatory nature of the Opinion of the Licensing Board, Intervenor consider it unnecessary duplication to adduce additional briefing material at this stage. Therefore, Intervenor hereby attach hereto and incorporate herein as their brief herein the following:

1. Their Brief in Support of Motion for Suspension of Proceedings and Consolidation or to Strike Staff Testimony, filed September 27, 1982 (Exhibit A);

2. Request for Late Filed Contention V-26, filed March 8, 1983 (Exhibit B);

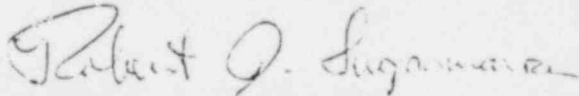

3. Intervenor Del-AWARE's Proposed Findings of Facts, Conclusions of Law, and Opinion filed November 16, 1982 (Exhibit C);

4. Applicant's reply to Del-AWARE's response to Licensing Board's Request for Information Regarding Flows in Schuylkill River dated November 29, 1982;

5. Proposed New Contention and letter regarding same dated June 16 , 1983 (Exhibit E);

In addition, Del-AWARE calls upon the Appeal Board to consider the law and the facts otherwise available to it, and, as an administrative agency, to perform its duty under Office of Communications, United Church of Christ v. FCC, 625 F2d 543,546 (D.C. Cir., 1969) (Burger, Chief Judge).

Respectfully submitted,
