SUBJECT: Waterford 3 SES  
NRC/LP&L Organizational Interfacing

Dear Mr. Collins:

The attached is provided for your information and use. It identifies personnel within the LP&L-Nuclear Operations Department with functional responsibilities as they relate to your organization, and is intended to provide points of contact with LP&L for yourself and your personnel.

Regarding your resident inspectors, their principle contact within our organization is Ross Barkhurst, Plant Manager-Nuclear. However, as is the case with all of these contacts, your resident inspectors, as well as your other personnel, may contact any of our personnel with the focal preference being as shown on the attached.

As promised in a telephone conversation between myself and your Mr. W. A. Crossman, we will provide to you a copy of our updated organization chart in the near future. Should you have any questions regarding the attached, please feel free to contact me.

Yours very truly,

F. J. Drummond  
Project Support Manager-Nuclear
