Re: Docket No.
50-445; 50-446

Dear Sir:

With reference to the Subpoena served upon me May 10, 1991 by Region IV of the NRC, I would respond that:

1) I feel the material I possess will indicate a situation of duplicity and compromise between Region IV and TUE Electric, as well as the civilian organization known as C.A.S.E.

2) I believe that the audio tapes I possess contain conversations of violations of the Atomic Energy Act.

3) I believe that the only agency which should have jurisdiction of this matter is the Office of the Inspector General.

I, therefore, respectfully request the subpoena be quashed.

Respectfully Submitted,

R. Micky Dow
