Re: Clinch River Breeder Reactor
Plant Project - Docket No. 50-537CP

Gentlemen:

This is to advise you concerning an omission in Applicants' July 22, 1983 Response, at 15, note 23. The CRBRP Construction Permit evidentiary hearings did not commence on July 18, 1983 as there indicated. Rather, on July 13, 1983 the Licensing Board issued an Order postponing the hearings (due to a family emergency on the part of one of the Board members), and on July 19, 1983 issued an Order rescheduling the hearings for August 8-12, 1983.

Respectfully submitted,

George L. Edgar
Attorney for
Project Management Corporation
