Gentlemen:

AMENDMENT TO OPERATING LICENSES NPF-4 AND NPF-7
NORTH ANNA POWER STATION UNIT NOS. 1 AND 2
PROPOSED TECHNICAL SPECIFICATION CHANGES

Pursuant to 10 CFR 50.90, the Virginia Electric and Power Company requests an amendment, in the form of changes to the Technical Specifications, to Operating Licenses NPF-4 and NPF-7 for the North Anna Power Station, Unit Nos. 1 and 2. The proposed changes are enclosed.

Presently, the Core Surveillance Report, which describes F_{xy} limits and the surveillance power level for each reload cycle, must be submitted to the Nuclear Regulatory Commission Staff 60 days prior to initial criticality for each cycle. This proposed change would reduce the length of time, prior to criticality, for report submittal, from 60 days to 30 days. This reduction in submittal time will allow more flexibility in scheduling core design tasks and refueling outage planning. This change is administrative in nature and will not affect the validity of information and conclusions in the Core Surveillance Report, nor will it affect the need for frequent axial power distribution surveillance. The proposed Technical Specification change is provided in Attachment 1. A discussion of the proposed Technical Specifications is provided in Attachment 2.

This request has been reviewed and approved by the Station Nuclear Safety and Operating Committee and the Safety Evaluation and Control Staff. It has been determined that this request does not pose an unreviewed safety question as defined in 10 CFR 50.59 or a significant hazards consideration as defined in 10 CFR 50.92.

Harold R. Denton

We have reviewed this request in accordance with the criteria in 10 CFR 170.22. Since this request involves a safety issue which the Staff should be able to determine does not involve a significant hazards consideration for Unit 1 and a duplicate safety issue for Unit 2, a Class III license amendment fee and a Class I license amendment fee are required for Unit 1 and Unit 2, respectively. A check in the amount of \$4,400 is enclosed in payment of the required fees.

Very truly yours,

W. L. Stewart
