RE: SSNM Inventory Report, Docket 50-142

Dear Ms. Woodhead:

This is to inform you that CBG still is not in receipt of the Special Nuclear Materials inventory report for the UCLA facility. We would appreciate it if you could check with your service division to see if there has been some mix-up regarding service.

While, as indicated at the hearing last week, full service (including enclosures) should be made to the full service list, please note that as of this date I have returned to Ben Lomond and express mail or telephone contacts should be directed to me there.

Sincerely,

Daniel Hirsch
President
