Subject: Request for a consent to transfer of control, NRC License No. 13-32467-01, Advanced Nuclear Medicine, LLC

Good morning Mr. Caudle,

I have reviewed the licensee's request dated 11/7/19 for a consent to transfer of control of NRC license no. 13-32467-01, Advanced Nuclear Medicine, LLC.

Please provide the following information to complete my review of the request:

1. Describe background and history of Outpatient Imaging Affiliates. Specifically, describe when the business/organization was created/founded, describe its management structure (RSO reporting chain), staffing, and locations. Describe services provided by Outpatient Imaging Affiliates.
2. Provide a copy of registration/certificate/license that Outpatient Imaging Affiliates holds with any federal/state/local government (e.g. certificate for use of X-ray equipment). Provide documentation of site inspections conducted by Federal/State/local government, if available.
3. Describe the specific 10 CFR 35.300 radioisotopes used at the facility and the last time the material was used at the facility.
4. Please describe methods the 10 CFR 35.300 material was disposed of (i.e. decay in storage, transferred, returned to manufacturer, etc.)
5. Provide documentation acknowledging the receipt of 10 CFR 35.300 material by an authorized recipient, if applicable.

Please provide your response in a signed (by both parties) and dated letter by February 21, 2020. You may submit the response directly to me via email.

Please let me know if you have any questions.

Sincerely,

Magdalena R. Gryglak
