MOTION BY RICHARD WILSON TO WITHDRAW CONTENTIONS

After discovery and informal conferences with the Applicants' technical staff I have decided to withdraw several contentions submitted on May 14 and accepted by the Board on September 22.

I withdraw Contention IV-C. A conference with the Applicants' technical staff resolved my concerns about parts 1 and 3. My concerns about part 2 remain, but I see no way of litigating this issue.

I withdraw contention I(a), I(b), I(c), I(d), I(e), I(f) and I(g) as a result of conferences with the Applicants' technical staff. Applicants have agreed to sample my honey for radioactivity twice yearly upon my request.

I have already apprised the Applicants of these withdrawals.
