Dear Mr. Hillman:

SECURITY PROCEDURES
SHIPMENT OF SPENT FUEL ASSEMBLIES

This letter and its enclosure are in reference to the discussion between you, members of Region III, and members of Wisconsin Electric and its contractors on August 4, 1983.

The enclosure has been implemented by Wisconsin Electric and its contractors. This enclosure is intended for your review and consideration in respect to compensatory measures in the event the future measures are warranted.

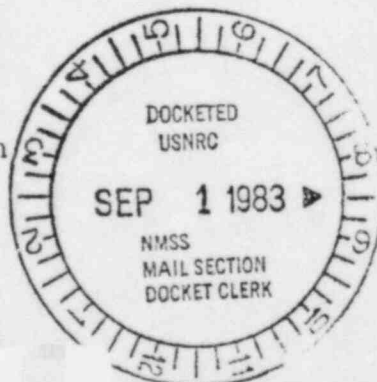

The subject matter of the enclosure to this letter is considered exempt from disclosure in accordance with provisions of 10 CFR Parts 2, 50, 70, and 73. We request that the enclosure be treated as Safeguards Information and not be placed in any public document room, and that any reply you make be similarly withheld if it deals with the details of our security procedures.

Very truly yours,

Sol Burstein
Executive Vice President
