RESPONSE TO ADMINISTRATIVE LETTER 94-12

The attached NRC Form 536 has been prepared in response to the request in the administrative letter 94-12. It provides our best estimate of the number and type of NRC Operator licenses we plan to have examined during the September PBNP assigned dates from 1995 through 1998. It also states our intention of having seven individuals take the April 1995 Generic Fundamentals Exam.

At this time we do not intend to request initial licensing examinations for the March PBNP assigned times from 1995 through 1998.

Please feel free to contact myself for additional information.

Sincerely,

F. Cerovac
Operations Training Coordinator
