The purpose of this letter is provide the NRC staff with Carolina Power & Light Company's (CP&L) update of previous estimates of candidates to be tested for licenses for fiscal years 1995 through 1998, for the Brunswick Nuclear Plant.

In Generic Letter 89-03, "Operator Licensing National Examination Schedule," March 24, 1989, the NRC issued its first national examination schedule and requested licensees to provide estimates of the number of candidates requiring examination. Subsequent Generic Letters have updated this process.
