January 23, 1995

U.S. Nuclear Regulatory Commission
Document Control Desk
Washington, D.C. 20555

Dear Sir:

This is to inform you that Cooper Nuclear Station will not be submitting Licensee Event Report LER 94-029. This number was internally assigned to a potentially reportable condition that was subsequently determined not reportable. Because we are now into 1995, we will not be able to reuse this number.

Sincerely,

R. C. Godley
Manager, Nuclear Licensing & Safety
