19 JAN 1995

Document Control Desk  
U.S. Nuclear Regulatory Commission  
Washington, DC 20555

Dear Sir,

This letter is to inform you that Captain Eric E. Kearsley, MSC, USN has assumed the position of Acting Director of the Armed Forces Radiobiology Research Institute (AFRRI), replacing Captain Robert L. Bumgarner, MC, USN. The change is effective January 19, 1995. Captain Kearsley, as Acting Director of AFRRI, is now responsible for USNRC Reactor License R-84, Docket 50-170. Please enter this change in all necessary records and correspondence.

If you have questions or need additional information, I can be reached at (301) 295-1210.

Sincerely,

ERIC E. KEARSLEY  
CAPT, MSC, USN  
Acting Director
