Re: Freedom of Information Act Request

Dear Mr. Grimsley:

I hereby request, pursuant to the federal Freedom of Information Act ("FOIA"), 5 U.S.C. § 552, as amended, and Nuclear Regulatory Commission ("NRC") regulations, 10 C.F.R. Pt. 9, copies of all "records" (as defined in 10 C.F.R. § 9.13) constituting or relating to concerns or allegations of radiological safety or to the actions or statements of health physics technicians on December 2 or 3, 1987 at the Florida Power Corporation, Crystal River Unit 3 (Operating License No. DPR-72) associated with the NRC's review of ALARA or health physics concerns specifically referenced as "RII-87-A-0124: ALARA Concerns." Without limiting the generality of this FOIA request, records subject to this FOIA request may be in the possession of the Allegations Coordinator, Region II, NRC.

Please attach a detailed statement of any documents that are withheld from production in response to this request. I am willing to pay the applicable charges for production of the requested amount in accordance with 10 C.F.R. Pt. 9 up to a maximum amount of \$250 and those charges in excess of \$250 of which I am notified, and which I approve in advance.

I appreciate your prompt attention to this matter, and I can arrange for personal pick-up of the requested documents at the Region II offices if this would expedite this request. In particular, I have an immediate need for any records which specify the allegation(s) provided to the NRC and which relate to December 2, 1987 events. If you have any questions concerning this FOIA request, please feel free to contact me at 404-885-3479. Thank you for your efforts.

Very truly yours,

Douglas A. Henderson
