REVISION 14 TO THE PALISADES SUITABILITY, TRAINING AND QUALIFICATION PLAN

In a letter dated December 23, 1994, the Nuclear Regulatory Commission, Region III, requested that Consumers Power Company provide further clarification to a change that was included in Revision 13 to the Palisades Suitability, Training and Qualification Plan (STQP) submitted to the Nuclear Regulatory Commission on May 25, 1994.

Attached are one original and three copies of Revision 14 to the STQP, which provides clarification of that change.

Consumers Power Company has determined that the changes included in this revision do not degrade the safeguards effectiveness of the Plan. Accordingly, this revision is submitted under the provisions of 10 CFR 50.54(p)(2).
