Dear Sirs:

We respectfully request your Commission to release the full unexpurgated version of the recently completed staff report, GPU v B&W Lawsuit Review and Its Effect on TMI-1, NUREG-1020.

We believe the Company, other parties to the restart proceeding, public officials, and the public are entitled to be fully apprised of the precise nature of concerns identified by this analysis; any such concerns should be openly available for earliest evaluation and disposition; and we consider it grossly unfair to permit the mystery of secrecy to imply an importance that could transcend the true substance of the concerns.

Very truly yours,

H. Dieckamp
