Re: AEC Docket 50-201

Dear Sir:

L&R File Copy

(Suppl)

On behalf of Nuclear Fuel Services, Inc., applicant for a construction permit for a spent fuel reprocessing plant in the above designated proceeding, there are transmitted herewith fifty (50) copies, of which three (3) are signed originals, of "Amendment #4 to Part A of NFS' Application" dealing with financial and related information.

Should any questions arise in connection with this matter, please communicate directly with the undersigned office.

Very truly yours,

SCHARFELD, BECHHOEFER, BARON & STAMBLER
