Re: Georgia Power Company (Vogtle Electric Generating Plant, Units 1 and 2)
NRC Docket Nos. 50-424-OLA-3, 50-425-OLA-3; License Amendment for
Transfer to Southern Nuclear Operating Company

Gentlemen:

Please find enclosed partial transcripts of certain audio tapes recorded by Mr. Mosbaugh which Georgia Power Company (GPC) believes to be relevant to its case. This is the second group of transcripts that GPC has proffered to the parties for stipulation.^{1/} The enclosure consists of transcript excerpts that were originally prepared by both the NRC and GPC. The transcripts originally prepared by the NRC, with one exception discussed below, have been hand-marked to reflect GPC's proposed corrections. The transcripts originally prepared by GPC have been modified to reflect only those portions of the transcript that GPC believes to be relevant to its position.

GPC previously requested stipulation by the parties to many of these transcripts.^{2/} Pursuant to the Licensing Board's direction at the August 12, 1994, status conference (Tr. 597, 601-602), GPC has reviewed these transcripts again and, following certain revisions, continues to believe that they are relevant to its case.

^{1/} See letter from J. Joiner to C. Barth and M. Kohn, dated October 20, 1994.

^{2/} See GPC's letter to Messrs. Barth and Kohn, dated February 28, 1994.

503

Messrs. Barth and Kohn

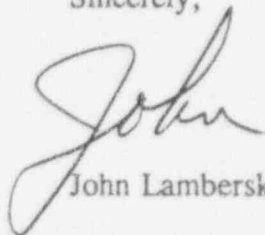

November 11, 1994

Page 2

The partial transcripts enclosed are portions of (1) NRC-prepared transcripts for Tape Nos. 74, 75, 76, 98, 167, and 187, and (2) GPC-prepared transcripts for Tape Nos. 11, 17, 19, 21, 27, 29, 32, 34, 35, 37, 38, 39, 40, 53, 69, 71, 79, 89, 90, 143, 157, 161, and 172.

Intervenor previously provided proposed corrections to one of the enclosed transcripts, for Tape No. 187.^{3/} GPC performed a thorough review of this tape and prepared a new transcript which includes additional information, along with most of Intervenor's proposed corrections.

Sincerely,

John Lamberski

cc: Service List (without enclosures)

^{3/} See Intervenor's Response to Licensee's Request for Stipulations Dated February 28, 1994, dated September 20, 1994. Intervenor indicated in this response agreement with GPC's proposed corrections to IIT Document No. 257. GPC is not submitting this transcript for additional review.
