Dear Mr. Steptoe and Mr. Paton:

I wish to make the following corrections in the Instructions for the Interrogatories and Requests for Production filed on October 11, 1983.

The third paragraph in the Interrogatories submitted to the Nuclear Regulatory Commission Staff should read:

On page three of the interrogatories submitted to the NRC Staff, Instruction E should read:

If the NRC Staff contends that the answer to any interrogatory is privileged, in whole or in part,

In the interrogatories submitted to Consumers Power Company, Instruction A should read:
