SUBJECT: REVIEW OF "REQUEST FOR ADDITIONAL INFORMATION ON THE AP600"
FOR PROPRIETARY INFORMATION

Dear Mr. Borchardt:

Westinghouse has reviewed for proprietary material the NRC "Request For Additional Information on the AP600" received in a letter dated November 7, 1994, as well as material enclosed in a letter dated October 19, 1994, "Agenda Questions for Plant Systems Meeting on the AP600". Our review indicates that the letters and enclosures contain no information that Westinghouse considers proprietary.

Please contact Brian A. McIntyre (412-374-4334) if you have any questions concerning this review.
