Fire Protection - Exemption Request
for One-Hour Fire Barrier Installation

Gentlemen:

Please refer to our letters (ØCANØ3833Ø, ØCANØ683Ø8, 2CANØ78313) dated March 29, June 8, and July 27, 1983, respectively, which addressed our request for a scheduler exemption to May 1, 1983, to allow us to complete the installation of certain one-hour rated fire barriers at ANO.

Per conversations with our ANO-2 NRC Project Manager, we hereby withdraw our request for a scheduler exemption to May 1, 1983, as all relevant modifications were completed by April 22, 1983.

Very truly yours,

John R. Marshall
Manager, Licensing
