Freedom of Information Act Request

FREEDOM OF INFORMATION
ACT REQUEST

FOIA-83-401

Rec'd 7-19-83

Gentlemen/Ms,

Under provisions of the Freedom of Information Act, 5 USC 552, I am requesting access to all material (correspondence, memorandum, etc) regarding the IHSI (Inductive Heating Stress Improvement) process for type 304 stainless steel piping as it pertains to the Shoreham nuclear power plant unit no. 1. The Shoreham docket is 50-322.

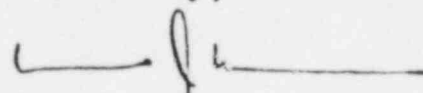

In particular, the staff response should include the following data:

1. Date applicant began process for facility and date completed and/or estimated date of completion
2. Systems involved and whether entire system piping was subjected to IHSI process or just portions thereof
3. Please identify those portions which were not subject to IHSI treatment and reason (i.e. inaccessible, SRI value of 1.0 or less, etc)
4. If applicant used General Electric SRI code to determine pipe welds which are potential IGSCC candidates, please furnish list of SRI values for those welds.

Thank you for your time and if there are any questions on this request don't hesitate to get in touch with me. In addition, there is no need to inform me of the incurred costs of this request provided those fees do not exceed \$100.00.
