631 Park Avenue
King of Prussia, Pa. 19406

Gentlemen:

Two weeks ago a hearing on the P.E. Limerick Nuclear Power Station was held in the Borough of Phoenixville. Several persons appeared at our subsequent city council meeting complaining that they were unable to get to Phoenixville and would like the opportunity to be heard. We are, therefore, requesting that a hearing be held somewhere in the Borough of Pottstown prior to conclusion of your evaluation of all of the statements presented.

Very truly yours,

Eugene G. Moody
