Reformatted Technical Specification Pages

By letter of January 30, 1995, the NRC authorized Pilgrim to use reformatted Technical Specifications.

The letter also requested Pilgrim to submit reformatted pages to substitute for pages contained in proposed Technical Specification Amendments submitted prior to the January 30, 1995 authorization. The pages attached to this letter address this request. Please note that the textual content of the reformatted pages is identical to textual content of the pages they replace.
