Hon. Bill Bradley  
U.S. Senate  
Washington, D.C. 20510

Dear Senator Bradley,

I am writing in reference to  
the Oyster Creek Nuclear Generating  
Station's closure for inspection.

Please use your influence to  
insure that all safety related reactor  
internals are thoroughly inspected  
for cracking and that the results  
of the inspection are officially filed  
for public review.

Thank you for your con-  
sideration of this matter.
