Dear Mr Pannetta

Again it makes me
feel good to know I can believe
in you. I realize that Buckle is
a large corporation with a lot of
power a lot of influences, I intend
to fight on not just for me
but for others that are afraid
to talk, I'm not, just the
other day Thursday 7/26/91 I
was asked to return to double
but do you know for what the
reasons, I'm afraid and I'm
poor but it's not the money
it's people in people I learned
not to trust or believe in as I
did in double, I started there
in 1982 after getting a knee
operation, I still gave a 100%
of me because, I made an
effort to even my way you

I've worked since the age of
9 sin we were poor my parents
left me at birth so my
grandparents raised me I know
what it takes to earn in 1983
during the riots at Brixton they
were not to have paper screaming
machines but they did because
I and other laborers watched
them destroy them with a Bulldozer
1984 they dropped 1 ton of Bonox into
the ocean. 1985 my escort was
smoking grass in the building I died &
was to be around him & after
finishing the dope on the floor that
he had. I asked to be escorted
outside he said you'll be fired
I said that isn't right, when I
was outside, I gave the bag
of grass to my friend, I was
told to go to the main office

at which I did the Stuart was
there, I told what had
happened, did you know that
these people suspended me for
30 days. I've seen coke dealt
among the gaunts, I've seen
guys give their bodies for their
j's, I've found needles for
heroin users in the blue room
(outside bathrooms) I've seen
funerals and cover ups so
many times still they lie
still they cover up there is
called drug tests you pee into
a bottle 1 week later you piss
which to know you are off so one
people steal materials, tools computers
paperwork, they say it's lost, I've
payed my dues sir that's why
I'm fighting, I ask for compensation
for pain and suffering back pay

work news corp, or state disability
I am seeing a psychologist and
a physical doctor, I have
nightmares, 6 different types of
medications for teeth removed
because of decay, thirty four
months removed this is it for
me they still lie and
cover up, I have mine labors
labors who help build this
plant and their believed in
it, labors who were told like
myself you have a life time
job, labors who were afraid
to speak up were still are
afraid, I am not I know that
God is stronger

God bless you
I will keep in touch
