MEMORANDUM

June 20, 1991

TO: Gulf States Utilities River Bend Station (RBS) Physical Security Plan Holders

FROM: Bob B. Morton

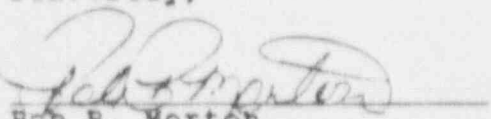

SUBJECT: Incomplete Distribution of Revision 12B of the RBS Physical Security Plan

Enclosed find Table 5-1a through 5-1g (pages 1 through 7) of Chapter 5 to Revision 12B of the RBS Physical Security Plan, to be included in your copy of the plan.

On June 20, 1991, during a routine internal audit of safeguards information it was determined that Table 5-1a through 5-1g had not been included with the rest of the plan when Revision 12B was distributed to plan holders in March 1991.

The enclosed Table should be placed in your plan immediately following Figure 5-1.

Sincerely,

Bob B. Morton
Security Systems Supervisor
