1983-1993 ISI Plan

The Omaha Public Power District, on September 26, 1983, submitted the 1983-1993 ISI program plan for the Commission's reference in granting requested exemptions. Subsequently, on November 15, 1983, the District provided the Commission with a list of exemptions which differed between the preliminary list submitted on July 7, 1983 and the list submitted as part of the September 26, 1983 submittal. The November 15, 1983 letter refers to exemptions which appear on the attached revised pages. Accordingly, please delete existing pages 19 through 22 of the 1983-1993 ISI program plan and insert the attached pages.
