Re: Proposed licensing of the Wolf Creek nuclear power plant.

Dear Sir or Maam:

The purpose of this letter is to place you on notice that I desire to make oral comments to representatives of the Commission on or about January 17, 1984 at 10:00 in the morning. If for some reason your schedule is modified, I would like to request that I be allowed to make comments at any of the proposed public hearings regarding the proposed licensing of the Wolf Creek nuclear power plant.

Thank you for your attention to this matter.

Sincerely,

  
Lance W. Burr  
Attorney at Law
