Subject: Request additional information regarding NRC License No. 13-02141-01

Dear Mr. Randles:

This refers to the amendment request dated January 9, 2020 from Harrison Steel Casting Company, NRC License No. 13-02141-01. We have reviewed the request and determined that we will need the following for the proposed RSO.

- 1) A copy of his industrial radiographer certificate (both sides).
- 2) A description of his work history including at least 2000 hours of hands-on experience performing nuclear industrial radiography operations as a qualified radiographer.

Please provide a response in writing with date and authorized signature by March 2, 2020. You should indicate Mail Control No. 617626 in the cover letter to facilitate proper mail handling in our office. For your convenience, you could fax the response to 630-515-1078 or scan and email the response as pdf to frank.tran@nrc.gov.

If you have any question or need any clarification regarding the above, please contact me at 630-829-9623 or reply to this email.

Thank you.
