Re: Duke Power Company, et al. (Catawba
Nuclear Station, Units 1 and 2),
Docket Nos. 50-413, 50-414

Gentlemen:

As promised in our letter of January 13, 1984, we are now forwarding the maps inadvertantly omitted from our January 12, 1984 motion for directed certification. As these maps were originally attached to our November 3, 1983 motion to the Licensing Board for reconsideration or referral, and thus served on all parties at that time, we are providing these maps only to the Appeal Board members.

We hope these will be of assistance.

Respectfully submitted,

Mark S. Calvert
