Re: Hanger Re-inspection Program (HRP)
CPCo letter Serial CSC 7115

The reference letter identifies hangers that will be subject to varying degrees of inspection by MPQAD.

Please provide the following information for use by CIO in scheduling verification activities and developing sampling plans:

1. Identification (Mark #) of all affected hangers
2. Tabulation of hangers which fall into each inspection category
3. Schedules pertinent to each activity
4. Notification of any meetings discussing HRP.
5. Copies of relevant correspondence.

Re: Hold Point By-Pass
CIO Weekly Report #25
CPCo Letter Serial CSC 7110

Page 2 meeting note B of CIO Weekly Report #25 identified a CIO concern regarding by-passing of QC Hold Points as reported in NCR-C00628, C00640 and C00650.

CIO has reviewed the NCRs, additional correspondence and relevant PQCI's and concurs that the hold points were established in Revision 13 of PQCI E-5.0 and that any inspection performed prior to Revision 13 would not invoke a QC hold.
