In the Matter of
Philadelphia Electric Company
(Limerick Generating Station, Units 1 and 2)
Docket Nos. 50-352 and 50-353

Gentlemen:

Enclosed is the original of an order confirming various rulings made on the record of the evidentiary hearing on January 12, 1984, which was prepared by the Applicant at the request of the Atomic Safety and Licensing Board. All involved parties with the exception of FOE concurred in the order. Mr. Anthony stated that he objected to the substance of the order as it concerned FOE and that he had no way to confirm the accuracy of the dates or actions contained therein.

Sincerely,

Mark J. Wetterhahn
