Re: Docket 50-142  
UCLA Reactor Relicensing Proceeding

OFFICE OF SECRETARY  
DOCKETING & SERVICE  
BRANCH

Memo to Board and Parties:

Enclosed please find CBG's Review of UCLA's "Shutdown Analysis,"  
the in-depth assessment requested by the Board.

We intend to introduce as exhibits certain core photographs recently  
provided by UCLA to CBG but not yet to the Board or other parties.  
Because the negatives remain in UCLA's possession, we will attempt  
to work out with UCLA arrangements for providing the Board and parties  
copies.

Respectfully submitted,

  
Daniel Hirsch
