Subject Controlled Distribution of Revisions to the Operational Safety Requirements/Technical Requirements, Volume VI

To Distribution

cc: HF Letter Log, MS-52  
Original, MS-50B

Attached are the following revisions to the Operational Safety Requirements/Technical Requirements, Volume VI which has been assigned to you under controlled distribution:

- o Latest Table of Contents
- o TR/IRTS-5, Rev. 7 - "STS Process Limits"

Replace the current table of contents, and TR/IRTS-5, Rev. 6, with the attached in your manual.

Copies made from a controlled document are to be marked UNCONTROLLED before distribution.

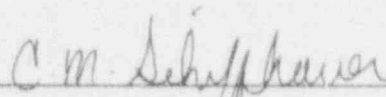

To acknowledge receipt of this document, sign, date, and return the attached controlled distribution receipt acknowledgement to the undersigned by October 25, 1991.

For your convenience, a stamped (off-site recipients only) return address has been placed on the reverse side of the controlled distribution receipt acknowledgement; fold, staple, and place in the mail.
