Dear Sir:

Subject: Operator Licensing Examination Schedules

This letter is written in response to Reference (b) which requires that we identify requests for NRC site visits to conduct operator licensing examinations or instructor certification examinations between now and December 31, 1985.

Information, based on our best estimates, is submitted as follows:

Category (3) Examinations to support certification of utility employees as instructors.

- 1 - Senior Reactor Operator instructor certification examinations week of July 19, 1984.
- 2 - Senior Reactor Operator instructor certification examinations week of August 26, 1985.

Category (5) Examinations for initial licensing of personnel at operating facilities or for upgrading a license from Reactor Operator to the Senior Operator Level

- 2 - Senior Reactor Operator licensing examinations week of March 19, 1984.
- 7 - Reactor Operator licensing examinations week of July 19, 1984.
