Notification of Change in Limited Senior Reactor Operator Status

Gentlemen:

This letter serves as notification in accordance with the requirements of 10CFR50.74 of a change in status of the Limited (i.e., fuel handling) Senior Reactor Operator (LSRO) license issued to:

Gregory F. Ruppert - Docket No. 55-61460, License No. SOP-10931

The reason for this change is the permanent reassignment of Mr. Ruppert's duties, and our determination that there is no longer a need for this license as originally certified under the requirements of 10CFR55.31(a)(3).

If you have any questions, please do not hesitate to contact us.

Very truly yours,
