Subject: System 80+™ Design Control Document Revisions

- Reference [1] ABB-CE Letter LD-94-073, "System 80+ Design Control Document," dated December 16, 1994.
- [2] NRC Letter, R.W.Borchardt to C.B.Brinkman, "Design Control Document Comments," dated January 27, 1995.

Dear Sirs:

The ABB-CE System 80+ Design Control Document was submitted for NRC review in Reference 1.

This letter transmits revisions to the DCD and an affidavit. These revisions document material previously transmitted as draft marked-up pages to the DCD. Significant changes incorporated into the DCD, including all changes requested by the NRC staff in Reference 2, are identified with a margin bar and the revision date [2/95] added to each page.

If you have any questions, please call me or Mr. Stanley Ritterbusch of my staff at (203) 285-5206.

Very truly yours,
COMBUSTION ENGINEERING, INC.

C. B. Brinkman
Director, Nuclear Systems Licensing
