(Restart)

UNION OF CONCERNED SCIENTISTS'  
REQUEST FOR EXTENSION OF TIME

By Order dated January 27, 1984, the Commission took review of portions of ALAB-729. The deadline for filing initial briefs was set at 45 days from that date or March 12, 1984.

Counsel for UCS will be out of town from March 3-10. Deadlines for this and other cases during February (including one on February 16 and another on February 21 for TMI) have required UCS Counsel's attention most of this month. Therefore, UCS requests a one-week extension until February 19 for filing initial briefs on review of ALAB-729.

Respectfully submitted,

Ellyn R. Weiss  
Counsel for the Union of  
Concerned Scientists
