Dear Mr. Thomas:

This is a request for an extension of time on delivery of the MUTR Emergency Plan until October 31, 1983. We are still awaiting a written agreement from the Prince George's County Fire Department and the University of Maryland College Park Campus Police Department in regard to their participation in our Emergency Plan. We anticipate early receipt from both, and our completion of the review of the Plan, in time to comply with the requested deadline.

Sincerely,

John S. Toll
President
