DOCKETED
JAN 20 1984

Feb. 11, 1984
'84 FEB 21 P12:22

U. S. Nuclear Regulatory Commission
Atomic Safety and Licensing Board
Washington, D.C. 20555

OFFICE OF SECRETARY
DOCKETING & SERVICE
BRANCH

In the Matter Of
PHILADELPHIA ELECTRIC COMPANY
(Limerick Generating Station
Units 1 and 2)

Docket Nos. 50-352
and 50-353

Judge Lawrence Brenner, Chairman; . Richard F. Cole, Dr. Peter A. Morris

Gentlemen:

Discovery 15 submitted by Applicant on Dec. 5, 1983 in answer to AWPP's First Set of Interrogatories, in particular answer to questions #4, 5, and 6, gave names of Licensee and Contractor Q.A. and Q.C. personnel and others involved in 76-06-01 welding infraction report.

AWPP (Romano) moves the Board permit AWPP to depose individuals named.

Alternatively, AWPP moves the Board take deposition of same individuals, or suggest means for completeness of record re their full part in the 76-06-01 "broomstick affair".

Very truly yours,
AIR & WATER POLLUTION PATROL

Frank R. Romano
