Re: Texas Utilities Generating Company, et al.  
(Comanche Peak Steam Electric Station,  
Units 1 and 2), Docket Nos. 50-445 and 50-446

Dear Chairman Bloch:

This will confirm my oral motion conveyed to the Board today seeking an extension of time in which Applicants will respond to the Board's Memorandum (Board Questions on Computerization of Non-Conformances), September 20, 1983. The Board granted Applicants' oral motion, and extended the filing date to October 11, 1983 (for hand delivery on October 12), subject to objections of the other parties. Accordingly, Applicants will file their response to the Board's Memorandum and submit it on October 11.

Sincerely,

  
Nicholas S. Reynolds  
Counsel to Texas Utilities  
Generating Company
